Multi Agency Children's Hub

The Multi Agency Children's Hub is a partnership between:

- Redcar & Cleveland Borough Council
- Health Partners
- Middlesbrough Council
- Cleveland Police

Anyone can contact the Children's Hub if they have concerns about a child's welfare or safety.

When the Children's Hub is contacted, the child's needs will be considered by a team of professionals. When we have consent or are allowed by law, partners may share information about the child and where appropriate, their family members. This will help us to decide what, if anything, should happen next. This information sharing is particularly important if there are concerns that a child has been harmed or might be harmed in the future.

The main options available to the Multi Agency Children's Hub are:

- to take no further action
- to refer the child to another agency for specific support
- to refer the child for Early Help support
- to refer the child to Children's Social Care for a Social Work assessment

To contact the Children's Hub call **01642 130700** between 8.30am - 5pm Monday - Thursday and 8.30am - 4.30pm Friday. Outside of these hours contact the emergency duty team on: **01642 524552**
