

SEND Family Voice

A monthly newsletter filled with news, information and events for all things SEND in the Redcar & Cleveland area.

Support over the holidays

With the upcoming 6 weeks holidays we wanted to remind parents and carers that here at SEND Family Voice we will still be around to offer support. The Facebook page and group will be updated daily with events happening in the area together with information posts.

We will also be offering a virtual coffee drop in so please feel free to join us online with a cuppa for a chat and a catch up. We know how lonely being a parent carer can be and the 6 weeks holidays can also mean more isolation for parents due to our children's needs.

We want to say we are always here! So please reach out to us via the Facebook page or our website if you need some support or just want to chat to someone who understands. There are also plenty of support groups out there to help including Contact, Carers Together, Mind plus many many more.

You Said, We did!

We know that a lot of parents struggle to attend our base in Grangetown due to its location, with this in mind the forum have decided to move to a more central location. We are moving into the Civic Centre in Redcar. This will provide a more central base for parents and carers and will allow us to host a weekly drop in for parents to come to our office with any issues they have or to pop in for a cuppa.

We will announce our moving in date soon and will of course have an official opening day!

Your Voice

We are keen to hear your views and opinions about the SEND services in Redcar and Cleveland. Please take a moment to complete this on the "Your Voice" section of the website. Good, bad or indifferent we want to hear from you!
